

Voice Launcher Waistband 4" 20-Watt Voice Amplifier

Fluent's Waistband Voice Launcher is compact, powerful, and affordable. The 20-watt Voice Launcher is encased in a lightweight, hand-crafted birch wood housing that creates a more natural sound and can deliver crystal-clear audio up to 200 feet. A water resistant head worn microphone is also included. Operating on a lithium polymer battery pack, the VL-20 can provide 10+ hours of operation and quickly recharges in just 3 to 4 hours. Hands-free presentations are made possible with the use of a waistband carry case allowing for high mobility and productivity.
